

Fall 2008

Dear Friend of Echo Horizon School,

On April 18, 2009, we will host our **Spring Fundraiser Auction & Dinner Dance** at the Downtown Jonathan Club. This event raises funds to support our extraordinary educational and scholarship programs. Roughly 10% of our students are deaf or hard of hearing. Our uniquely diverse student population brings lessons of inclusion to the entire student body.

Echo Horizon School has established a national reputation as a preeminent educator of deaf and hard of hearing children, learning alongside their hearing peers, in a mainstream educational environment. The National Association of Independent Schools recently recognized our Echo Center with its *Leading Edge* honor, which "showcases best practices and model programs to inspire and motivate other schools across the nation."

Can you donate a product or service to our silent auction?

Our families are very aware of who supports our school and this represents a good opportunity for visibility for your company. Over 300 parents, grandparents and friends will participate in our fundraiser as organizing volunteers and attendees. We are proud of our children and of our program and we appreciate your willingness to stand with us as we celebrate our success.

I hope that you will consider placing an ad in our *Program & Dedication Book*. You can communicate with our entire parent body, as well as our extended school community. Please return your order by February 15, 2009.
