

# ECHO HORIZON SCHOOL

September 21, 2021

## COVID-19

# UPDATES

Hello Echo Horizon parents/guardians,

We are trying out a different company, Pacific Toxicology Laboratories, for **COVID drive-through testing on Sept. 24, Oct. 8, and Oct. 20**, which will hopefully be more streamlined and efficient. Our next drive-through test will be on:

**Friday, September 24th**  
**2:30-4:00PM**

Below are the instructions from the company. Please let me or Tiffany know if you have any questions.

To those of you who are opting out of our drive-through testing, please test on your own and send us the results by end of day on Monday, Sept. 27. Thanks so much—we know that these testing requirements add lots of work to the plates of our parents/guardians and we so appreciate your patience and partnership!

Best,  
Peggy & Tiffany

---

**New and updated information**

## COVID Testing

**Pacific Toxicology Laboratories: Important to Remember**

Please register for the test no later than 9/22 (2 days prior to test date). Families who have more than one child at the school should register them separately. Registration should be done under the student's name, not the parents'. We will need the insurance information for

each student and staff member. The test requires that patients do not eat or drink 20 min. prior to swabbing their mouth.

### Registration Instructions and Link

It is very important that when parents are registering for the test, they indicate the account number, which is 1939, in the "entity or organization name" field. Parents must register by account number, not the name of the school. The results will be uploaded under the wrong account if they use an incorrect account number or list a name.

Please enter 1939 in the Entity/Organization Name field on the COVID-19 questionnaire link for registration.

Entity or Organization Name: 1939  
<https://hipaa.jotform.com/212005922364144>

Once they've answered all the required questions, parents will receive a confirmation email from Pacific Toxicology Laboratories. We will not be able to test anyone who has not registered for the test. Results will be also emailed to the email address provided at the registration time within approximately 24 hours.

### NEED ADDITIONAL INFORMATION?

#### COVID COMPLIANCE TEAM

**Tiffany Paulsen**  
School Nurse  
[tpaulsen@echohorizon.org](mailto:tpaulsen@echohorizon.org)

**Peggy Procter**  
Head of School
