Dear Families,

As we prepare to return to the building on February 22nd, we are writing to share updated information about protocols and cohorts.

Families in grades 3, 4 and 5: please review the Echo Horizon Return to Campus Pledge and return a signed copy to Sherif Zakaria by Friday, February 19th.

Here is some important information that will support your return to campus:

Our school building and front office will return to regular hours of operation which are 7:45AM–4:00PM.

**Magnus Daily Health Assessment:**
- Complete before 7:30AM on the days your child will be on campus.
- You will receive a push notification reminder every morning at 7:00AM.
- Download the Magnus Mobile V2 app to access the Magnus Health Screening.
  - iPhone: Apple store
  - Androids: Google Play
- Log in to the mobile app using the same login and password to access the Magnus Portal on your laptop or PC device.
- Once logged in, click on the COVID-19 Icon, and complete the screening questionnaire. After completion, you will be notified if your child can or cannot enter school that day.

**Carpool:**
- Drop off will be through the carpool line ONLY (Back Gate will be closed) between 8:30–9:00AM.
- At drop off, staff will take each child’s temperature before they enter the building and will ensure that the daily health assessment has been completed.
- Pick up will also be through the carpool line ONLY between 3:00–4:00PM.
Snack and Lunch:
- Please pack a no-waste and nut-free snack and lunch for your child.
- Please pack a water bottle for your child.
- We will not be providing a hot lunch option.
- There will not be refrigeration or microwaves available for your child’s lunch.

Masks:
- Please ensure that your child has a face covering that fits properly.
- Acceptable face coverings include a clear smile mask, cloth, or disposable mask.
- Children should have at least one back-up mask packed in their backpacks.

School Devices:
- Please ensure that your child brings a fully charged device to school.
- Every child needs to bring a compatible set of headphones to school.
- School devices will be used for specialist classes (the specialist teachers will be instructing through zoom).
- For PK-2, school devices and headphones should come to school with each student on Mondays and they will take them home from school with them on Thursdays (for use during Friday online learning).
- For 3–6, school devices and headphones should come to school with each student for every in-person learning day.

Cohorts and Schedules:
- Cohort groups and teacher assignments for in-person learning are posted within the schedule documents below. Please note that for logistical reasons, throughout the year, we will be adjusting classroom cohort groups, while adhering to the LA County Department of Health Protocols.
- LA County is now recommending stable groups rather than a cohort cap, based on space, the ability to maintain physical distance, and limiting the number of adults.
- If your child is staying home for their learning, your Director and assigned teachers will contact you directly with your child’s schedules and links for home learning.
- Please note that teachers may continue to add links to these documents over the coming days.

All other details about classrooms supplies or needs will be communicated directly by your teaching teams!

Thank you,
The Leadership Team
Cohorts and Schedules

Pre-K Cohort A
Pre-K Cohort B
Kindergarten Cohort A
Kindergarten Cohort B
1st Grade Cohort A
1st Grade Cohort B
2nd Grade Cohort A
2nd Grade Cohort B
3rd Grade Cohort A
3rd Grade Cohort B
4th Grade Cohorts A & B
5th Grade Cohorts A & B
6th Grade Cohorts A & B

Welcome Back Protocol Video

This video will walk the students through:
- some changes on campus
- bathroom pass procedures
- campus arrows and walking paths
It will give children who haven't been in the building a preview of what's to come.

REMINDER

Pop-Up COVID Testing for Echo Horizon Students
Wednesday, February 17th
3:00–5:00PM

Echo Horizon is partnering with 1Health to provide COVID testing to Echo Horizon students. If you reserved your PCR Saliva Kit, please follow these instructions.

- You will receive your test kit at the event. You can take your test home and send your specimen when convenient or deposit your specimen on the day of the event and we will send it for you.
- The turnaround time for test results is 24-48 hours.
- Your reserved test kit cost $35 dollars.
which will be collected at the event.

- Please bring your medical insurance to cover the additional cost.
- You will not need to submit your test results to the school.
- Drive thru: You will enter the gate on Roberts Ave and exit on McManus.

Please contact School Nurse Laura Leyman with any questions.
