Dates: 1/10, 1/24, 1/31, 2/7, 2/14, 2/28, 3/7, 3/14, 3/21

Leap, twirl, and whirl into beginning ballet! In this spirited class, your dancer will have the opportunity to explore the basics of ballet. Kids will stretch, leap and learn dance terminology and perform choreography. Some of the benefits of baller are its ability to help young children develop and improve their balance, coordination, and self-esteem. The creative movement aspect of this class will encourage children to use their imaginations and help nurture self-expression in a fun and natural way. While the importance of ballet technique and theory will be taught, this class will also highlight the joyfulness and playfulness that dancing creates. No uniform or shoes required.

Comic Book Creators

\$264

Wednesday- 3:30-4:30pm Grades: 1st

Dates: 1/5, 1/12, 1/19, 1/26, 2/2, 2/9, 2/16, 2/23, 3/2, 3/9, 3/16

Brainstorm, Storyboard, Pencil, Ink, and color. Imagine a future world full of new technologies and challenges facing humans at every turn...Now draw it! In this special comic book class, create a character that will explore the Future as you see it. When you zoom light years ahead, what will you find? After the session is over, the comic booklets are taken back to our studio and professionally edited and put together! When complete, the comic books will be delivered to the students and are theirs to keep. All materials and supplies provided. Class is for boys and girls. Returning students are encouraged-new comic book creators welcome!
