

Sign up for our upcoming VIRTUAL enrichment program:  
**ECHO HORIZON SCHOOL**

**Virtual - Crazy Chemworks (8 wks)**

Shake up a flask of fun in the lab as a junior chemist! These chemistry classes are packed solid with cool reactions and tiny atoms! Slide down the pH scale and dip in to the world of acids and bases. Put on some goggles and change liquids to solids and back again. Handle laboratory tools, build and break molecules, and pick up some tricks on chemical changes. Finally, ooze into a gooey hour of sliming around! Using the Mad Science recipe, enter your creation in to the Slime Olympics!

**Topics Include:**

**Chem in a Flash ♦ Dry Ice Capades ♦ Glow Show ♦ Junior Reactors ♦ Lab Works ♦ pH Phactor ♦ Slime Time ♦ Super Sticky Stuff**

**Grades:** K - Gr 6

**Day/Time:** Mon, 3:45 PM - 4:45 PM

**Program Dates:** Apr 12 - Jun 7, 2019

**Skip Dates:** 5/31/2021 (No Mad Science class on this date)

**Cost:** \$162 per student (materials included)

**NOTE:** All classes to be held via Zoom. Zoom link to be provided. All materials will be available at the school for pickup prior to the beginning of the session. Please contact Echo Horizon School for more information.

**Our mission at Mad Science** is to spark the imagination and curiosity of children everywhere. We do this by providing them with fun, interactive and educational activities that instill a clearer understanding of science and how it affects the world around us. Mad Science after-school programs have a strong educational focus, with an emphasis on age-appropriate and inquiry-based learning.
