

California Department of Education
School Accountability Report Card
Reported Using Data from the 2015–16 School Year

Echo Center

Address: 3430 McManus Ave. Culver City, CA 90232

Principal: Vicki Ishida

Phone: 310-838-2442

Grade Span: PreK-6th

Gr.

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Throughout this document, the letters DPL mean data provided by the LEA, and the letters DPC mean data provided by the CDE.

School Description and Mission Statement (School Year 2016–17)

Echo Center was founded in 1970 as Oral Education Center by parents, educators, and interested community leaders with the goal of integrating deaf and hard of hearing children into the hearing world by teaching them to listen and to speak.

In 1983 Echo Horizon School, a mainstream environment in which students with hearing loss can work and learn alongside hearing peers was established. The Echo Foundation Board of Trustees governs the financial, administrative, and educational operation of the school. It is a California not-for-profit corporation.

The mission of Echo Horizon School and its Echo Center is to educate children in a collaborative environment that is academically challenging and developmentally appropriate. We actively promote mutual respect, individual responsibility and ethical action. The Echo Horizon graduate is an inquisitive and critical thinker who brings creativity, kindness and self-reliance to the lifelong journey of learning.

Echo Center is committed to the auditory-oral approach as the first option for children with hearing loss. The program is designed to develop listening, speech and language skills by involving children with hearing loss in mainstream classes onsite at Echo Horizon School. Echo Center operates within Echo Horizon School which provides a complete academic program, pre-kindergarten through sixth grade, to hearing, deaf, and hard of hearing students ages four through thirteen years of age. Through Echo Center, all students with hearing loss are fully mainstreamed into their classrooms. They participate in all areas of academic study including art, music, dance/theatre, and physical education. Each DHH teacher has a master degree from an accredited training program and holds a credential in their field. Speech, language, and auditory skills are promoted on a daily basis through a co-teaching model where a DHH and regular credentialed teacher team at each grade level. Each education specialist in hearing loss:

- Optimize speech, language, and listening skills
- Provide daily support via a co-teaching mainstream model
- Provide support of hearing aids, cochlear implants, and use of FM systems
- Support parents
- Provide resource/referral service

Since our founding, we have developed a balanced and dynamic approach to education by fostering a warm, nurturing environment, providing a rigorous academic foundation, and emphasizing our core values of mutual respect, inclusiveness, self-reliance, and best educational practices. To promote inquiry and innovation, we provide the necessary opportunities for students to explore, discover, and create. We place a strong emphasis on ethical behavior and appreciation for diversity, creating a warm, heterogeneous community that fosters open-minded thinking and tolerance. Our students learn to be independent as they take advantage of opportunities to make choices and decisions. The fact that 10% of our children are deaf or hard of hearing has a profound and positive impact on all Echo Horizon School students when it comes to acceptance and appreciation of differences in others. Finally, we believe in the importance of giving all children an opportunity to be truly outstanding, whether that's in the classroom, in the arts or on the playground. The result is an environment where students respect and admire one another for individual strengths.

Echo Center is certified as a nonpublic school by the California State Department of Education and is a member of *OPTIONschools*, an international council of independent auditory-oral schools. Echo Horizon School is accredited by the Western Association of Schools and Colleges (WASC) and by the California Association of Independent Schools (CAIS). It is a member of the National Association of Independent Schools (NAIS) and the Independent School Alliance for Minority Affairs. Echo Center and Echo Horizon School does not discriminate on the basis of age, color, creed, disability, gender, marital status, national or ethnic origin, race, religion or sexual orientation.

Student Enrollment by Grade Level (School Year 2015–16)

School Facility Conditions and Planned Improvements

The school building maintains a long-term lease with Culver City USD. The building is maintained by Echo Center/Echo Horizon School. Health and safety are monitored by Echo Center/Echo Horizon School. The school went through a major renovation nineteen years ago, with additional renovations nine years ago. The playgrounds were also upgraded at that time with a recent upgrade in July 2015 and July 2016. The needs of the students, technology and educational advances drive the renovations and improvements of the building. Maintenance regarding external/internal cosmetics (painting, carpeting, flooring, etc.) is monitored yearly. The facility is considered to be good repair in terms of safety, cleanliness, and adequacy of space. There are no current plans or need for changes to the facility. It currently meets the needs of the school/program.

School Facility Good Repair Status

System Inspected	Repair Needed and Action Taken or Planned			
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces	X

B. Pupil Outcomes

State Priority: Pupil Achievement

Echo Center has only a few students in grade 3rd – 6th. Only those funded by a school district are administered the California State tests as directed by the LEA for each student according to district timelines and as directed in the IEP's. Tests are administered by trained, credentialed staff members. Accommodations are provided as stipulated in each student's IEP. These may include clarification/repetition of directions and extended time. Parents may request a waiver of these tests in writing directed to their own school district. Tests are returned to each school district office and are scored by each district. Scores may or may not be reported to Echo Center. Because of the low number of students tested, confidentiality concerns prevent reporting of test scores.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Echo Center has only a few students in grade 3rd – 6th. Only those funded by a school district are administered the California State tests as directed by the LEA for each student according to district timelines and as directed in the IEP's. Tests are administered by trained, credentialed staff members. Accommodations are provided as stipulated in each student's IEP. These may include clarification/repetition of directions and extended time. Parents may request a waiver of these tests in writing directed to their own school district. Tests are returned to each school district office and are scored by each district. Scores may or may not be reported to Echo Center. Because of the low number of students tested, confidentiality concerns prevent reporting of test scores.

State Priority: Other Pupil Outcomes

Echo Center has only a few students in grade 3rd – 6th. Only those funded by a school district are administered the California State tests as directed by the LEA for each student according to district timelines and as directed in the IEP's. Tests are administered by trained, credentialed staff members. Accommodations are provided as stipulated in each student's IEP. These may include clarification/repetition of directions and extended time. Parents may request a waiver of these tests in writing directed to their own school district. Tests are returned to each school district office and are scored by each district. Scores may or may not be reported to Echo Center. Because of the low number of students tested, confidentiality concerns prevent reporting of test scores.

C. Engagement

State Priority: Parental Involvement

Opportunities for Parental Involvement (School Year 2016–17)

Every parent at Echo Center/Echo Horizon School is automatically a member of the Parent Association. In concert with the administration and faculty, Echo Horizon's Parent Association seeks to engage parents in the life of the school, in ways that correlate with their abilities and interests. With over twenty standing committees, there are seemingly endless volunteer possibilities at EC/EHS. These include assisting with community service projects, planning grade level gatherings, coordinating school events, and participating in various fundraising events. Along with these activities, EHSPA strives to foster goodwill, communication, and inclusion among its members. Great schools are made up of partnerships among parents, students, and teachers, and volunteerism is at the heart of the Echo Horizon experience. A few of the committees are as follows: Annual Spring Event, Community Service Committee, Book Fair, Hospitality – School Events/Informal Mornings, Halloween Carnival, Open House, Grandparents & Special Friends Day, Working Parent Volunteer Database, Teacher-Staff Luncheon, Alumni Outreach, Host Family, General Assistance, Hot Lunch. Additional parent activities include monthly morning coffees, Parent Association meetings/presentations, room parents, field trip and in-class volunteering.

State Priority: School Climate

School Safety Plan (School Year 2016–17)

Safety and health of our students and employees is of prime importance to Echo Center. Inspections are conducted at least once a year by the Culver City fire department. Age appropriate lessons and curriculum regarding health and safety at home, school and the community are presented. A safe school plan was reviewed in 8/2016 and presented to the employees during the week of 8/15/16 and to families in 1/2016 in the event of a major emergency. Phone contact for each family has been arranged through an automated phone system.

All employees are trained in CPR and first aid. Fire and emergency drills are conducted on a regular basis and diagrams for exit plans are posted in each room. First aid kits are provided to personnel for use on the schoolyard as well as for field trips. Emergency supplies that include food, medical and other necessary needs, are stored in a safe and accessible area and are updated yearly. All medication is handled by front office personnel.

All guidelines regarding fingerprinting and health clearances for employees, volunteers and interns are carefully followed. All visitors must sign in and be identified by the front office. Visitors, other than parents, must wear a visitor's badge. All tours and visitors are escorted by school staff.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	Avg. Class Size	2013–14 Number of Classes*			Avg. Class Size	2014–15 Number of Classes*			Avg. Class Size	2015–16 Number of Classes*		
		1-20	21-32	33+		1-20	21-32	33+		1-20	21-32	33+
K	17	2			11	2			20	1		
1	16	2			16	2			20	1		
2	14	2			15	2			16	2		
3	17	2			13	2			13	2		
4	16	2			16	2			12	2		
5	17	2			15	2			15	2		
6	16	2			15	2			13	2		
Other	6	1			13	1			12	1		

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Academic Counselors and Other Support Staff (School Year 2015–16)

Title	Number of FTE* Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	N/A	N/A
Counselor (Social/Behavioral or Career Development)	1	N/A
Library Media Teacher (librarian)	1	N/A
Library Media Services Staff (paraprofessional)	1	N/A
Speech/Language/Hearing Specialist	8	N/A

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2015–16)

In addition to an academic program, Echo Center provides daily services that include speech, language, auditory skills, academic pre/post work, resource support for classroom teachers, daily device checks, and troubleshooting. Echo Center also provides additional speech/language therapy as needed. These sessions are conducted one-to-one by qualified DHH teachers. Contact is maintained with outside hearing health professionals to ensure the students receive maximum benefit from their amplification devices.

Professional Development

Weekly staff meetings provide a venue to discuss curriculum and development in the field of deaf and hard of hearing and general education. One week as well as two full days are designated as faculty development days. This time is spent attending local conferences, remaining in-house with invited professional speakers, and developing curriculum as part of in-house committees. In addition, all faculty are encouraged to attend meetings, conferences, seminars, and presentations outside of school both during the school year and during the summer months. Attendance is determined by core curricular needs and range from technology and academic areas to responsive classroom skills. Teachers are expected to report back during staff meetings on information gained. We also disseminate information and take advantage of training offered by local education agencies that share in-service opportunities with the school. Faculty are encouraged to share their expertise at conferences and have done so nationally and internationally.
